GENERAL INFORMATION

Divisions:

This event is for Mini, Youth, Junior, and Senior Divisions not included in The Cheerleading Worlds hosted by the USASF. Any team that competes AND receives a bid in one of the above age divisions to Allstar World Championship at a qualifying event in the 2020-2021 season will be eligible to attend.

You can view the list of 2022 Allstar World Championship divisions at the following link:
<https://theallstarworldchampionship.com/divisions/>

Teams MUST compete in the same division in which they qualified. Teams can add up to the MAXIMUM number of athletes in the division.

Teams can qualify at over 250 US events and many international locations. Teams must "declare" at Open Qualifier events if they intend to accept a bid. Teams may choose from the following options:

- Willing to accept an at large or paid bid
- Willing to accept a paid bid only

The following types of Bids are offered:

At Large Bids:

At-Large Bid winners must pay the full balance to compete. Teams receiving at large bids will receive a \$50 discount towards the cost of registration. No discounts may be used for family members or for additional tickets. If additional athletes are added to the roster after the bid was earned, the gym is responsible for the full cost of the additional athletes.

Paid Bids:

Teams who have earned a paid bid will receive paid registration to the Allstar World Championship, a park ticket to Universal Orlando Resort, and ticket to the VIP Party for each athlete on the roster. No discounts may be used for family members or for additional tickets. If additional athletes are added to the roster after the bid was earned, the gym is responsible for the full cost of the additional athletes.

Replacing Athletes on the Bid Winning Team:

You may compete with more or less athletes on the floor than what you qualify with as long as it keeps you in the same division. You will be able to replace 25% of your roster from the time you receive your bid until you compete at Allstar World Championship. Teams will also be able to add athletes to reach the maximum number of participants in their division. For any additional athlete that is added without exceeding team size, Programs are responsible for full registration payment of \$199 for those additional athletes. For teams that have received a paid bid, teams will only receive park passes for the number of athletes on the team's roster when bid was awarded.

*Example:

- A team of 16 competes and receives a bid, they can replace 4 athletes to compete at the Allstar World Championship. This team can then add up to 6 new athletes to compete, remaining in the same qualifying division.
- A team of 22 competes and receives a bid, they can only replace (not add) 6 athletes (5.5% will be rounded up) to compete at the Allstar World Championship.

Bid Deferral:

Bids earned during the 2021-2022 season must be used for the 2022 Allstar World Championship.

Passed Down Bids:

At Large Bids from events will not be passed down should a team upgrade to a paid bid. For example, if a team receives an At Large Bid at an event early in the season and upgrades to a paid Bid later in the season, the original At Large Bid will not be given to another team. This at large bid will be eliminated. Bids can not be passed to another team in the program.

Upgrading Bids:

Once your team accepts a bid for the Allstar World Championship, you **MUST** stay with that specific track to earn a higher bid for the remainder of the season.

- At Large Bids will only be upgraded to a Paid Bid.
- Paid bids must be used and cannot be upgraded.

Bid Eligibility:

Event Producers have the right to investigate any and all teams receiving a bid. Bid eligible teams and divisions will be reviewed for accuracy and legitimacy to ensure each team has the same opportunity.

Potential Rounds at Allstar World Championship:

Rounds will be determined by division size. There will be no D1/D2 splits. The Allstar World Championship reserves the right to split teams into subgroups in the Semi Final Round by team size.

The Challenge Round:

Further information about this round will be released in the near future.

The Semi Final Round:

The Semi-Final Round will include all Paid and At Large Bid Winners that have qualified for this round.

Below is the number of teams that will advance from Semi-Finals to Finals based on division size:

50% of the teams but no more than 10 teams in the Semi-Final round will advance to Finals. Example: if a division has 25 teams, 10 would advance to Finals. If a division had 7 teams, 7 would advance to Finals.

The Allstar World Championship reserves the right to split large divisions in the semi-final round by team size.

The Final Round:

Team performance times will take place in reverse order based on their score from the semi final round. For example, a team with the highest score will go last, a team with the lowest score from the semi final round will go first. Ties will not be broken if there is a tie for first place, there will be Co-Champions.

Crossover Policy:

Athletes will not be allowed to compete on more than 2 teams across the Allstar World Championship. Athletes can only cross up or down two levels. Example: A Level 2 athlete can cross up to levels 3, 4, or 4.2, and cross down to level 1.

Crossover Fee:

Participants must pay an additional \$100 registration fee for each additional team performance. However, if there is an athlete that is on a PAID Bid team & crossing over to another PAID Bid team, there will be no crossover fee applied. If an athlete is on a PAID Bid team as well as an AT-LARGE Bid team, that athlete will be required to pay the crossover fee.

Awards:

All participants at the Allstar World Championship will receive a participation gift. Finalists will receive a team banner. Gold, Silver, and Bronze winners will receive Team Awards and Individual Medals. Division Champions will also receive an individual award.
